**Retailer Comments**

This vehicle won't be on the lot long! A sensational four door destined to dominate on the racetrack and impress on the expressway! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized practicality, efficiency, and style by including: a tachometer, lane departure warning, and power seats. It features an automatic transmission, rear-wheel drive, and a 2 liter 4 cylinder engine. You will have a pleasant shopping experience that is fun, informative, and never high pressured.
