Retailer Comments

This vehicle won't be on the lot long! This car sets a new standard in its segment, merging power and utility with stylish proportions! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar prioritized comfort and style by including: an outside temperature display, turn signal indicator mirrors, and 1-touch window functionality. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales staff will help you find the vehicle that you've been searching for. We'd be happy to answer any questions that you may have. Come on in and take a test drive!
