### Retailer Comments

This vehicle won't be on the lot long! It captivates spirited drivers searching for the perfect blend of practicality and performance. A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized fit and finish as evidenced by: power front seats, cruise control, and more. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. All wheel drive maintains traction at all four corners. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. We are here to help you.
