Retailer Comments

This Jaguar won't be on the lot long! It delivers style and power in a single package! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Top features include a split folding rear seat, a power rear cargo door, an overhead console, and air conditioning. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. All wheel drive provides for safe passage, regardless of road or weather conditions. Our sales reps are extremely helpful knowledgeable. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
