## Retailer Comments

Check out this 2019! A great vehicle and a great value! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized practicality, efficiency, and style by including: an automatic dimming rear-view mirror, a power liftgate, and seat memory. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. All wheel drive provides for safe passage, regardless of road or weather conditions. We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.
