## Retailer Comments

How about this great vehicle! Both practical and stylish! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Jaguar prioritized fit and finish as evidenced by: heated front and rear seats, heated door mirrors, and leather upholstery. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. All wheel drive provides for safe passage, regardless of road or weather conditions. Our aim is to provide our customers with the best prices and service at all times. Please don't hesitate to give us a call.
