Retailer Comments

Don't miss this great Jaguar! Distinctive design and opulent equipment are standard. The engine breathes better thanks to a turbocharger, improving both performance and economy. All of the premium features expected of a Jaguar are offered, including: a power rear cargo door, lane departure warning, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We have the vehicle you've been searching for at a price you can afford. Stop by our dealership or give us a call for more information.
