Retailer Comments

This Jaguar won't be on the lot long! It'll satisfy drivers and passengers seeking the ultimate in comfort and refinement. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Jaguar prioritized fit and finish as evidenced by: front bucket seats, rear wipers, and power front seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. All wheel drive keeps this model firmly attached to the road surface. Our aim is to provide our customers with the best prices and service at all times.
