Brimming with advanced technology inside and out, this vehicle injects its segment with exhilarating performance and paradigm-shifting design! A turbocharger is also included as an economical means of increasing performance. Jaguar infused the interior with top shelf amenities, such as: heated front and rear seats, high intensity discharge headlights, and voice activated navigation. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. All wheel drive maintains traction at all four corners. We pride ourselves on providing excellent customer service. Stop by our dealership or give us a call for more information.
