**Retailer Comments**

You won't want to miss this excellent value! Luxury, power and finesse propel this vehicle ahead of the pack. A turbocharger is also included as an economical means of increasing performance. Jaguar prioritized comfort and style by including: a tachometer, heated front and rear seats, and a split folding rear seat. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. All wheel drive maintains traction at all four corners. Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
