## Retailer Comments

What a great deal on this 2020 Jaguar! Very clean and very well priced! A turbocharger is also included as an economical means of increasing performance. Jaguar prioritized fit and finish as evidenced by: voice activated navigation, a power rear cargo door, and seat memory. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We have the vehicle you've been searching for at a price you can afford. Please don't hesitate to give us a call.
