## Retailer Comments

This vehicle won't be on the lot long! It delivers plenty of power and excellent gas mileage! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Jaguar prioritized handling and performance with features such as: a power seat, automatic dimming door mirrors, and 1-touch window functionality. Jaguar made sure to keep road-handling and sportiness at the top of it's priority list. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please don't hesitate to give us a call.
