### Retailer Comments

This vehicle won't be on the lot long! Both practical and stylish! A turbocharger is also included as an economical means of increasing performance. Jaguar infused the interior with top shelf amenities, such as: heated front and rear seats, a headlight cleaning system, and power seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are extremely helpful knowledgeable. They'll work with you to find the right vehicle at a price you can afford. Please don't hesitate to give us a call.
