Retailer Comments

This Jaguar won't be on the lot long! Both practical and stylish! All of the premium features expected of a Jaguar are offered, including: leather upholstery, variably intermittent wipers, and cruise control. Jaguar made sure to keep road-handling and sportiness at the top of it's priority list. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
