## Retailer Comments

Looking for a new car at an affordable price? This Jaguar won't be on the lot long! This vehicle sets a new standard in its segment, merging power and utility with stylish proportions! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar infused the interior with top shelf amenities, such as: power front seats, heated front and rear seats, and a split folding rear seat. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please don't hesitate to give us a call.
