Retailer Comments

This vehicle won't be on the lot long! Both practical and stylish! The engine breathes better thanks to a turbocharger, improving both performance and economy. All of the premium features expected of a Jaguar are offered, including: automatic dimming door mirrors, a power rear cargo door, and power seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our aim is to provide our customers with the best prices and service at all times. Stop by our dealership or give us a call for more information.
