Retailer Comments

Don't miss this great Jaguar! It delivers plenty of power and excellent gas mileage! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar prioritized fit and finish as evidenced by: heated and ventilated seats, heated steering wheel, and power front seats. Jaguar made sure to keep road-handling and sportiness at the top of it's priority list. It features an automatic transmission, rear-wheel drive, and a 2 liter 4 cylinder engine. We'd also be happy to help you arrange financing for your vehicle. Please don't hesitate to give us a call.
