Retailer Comments

How about this great vehicle! It delivers style and power in a single package! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar infused the interior with top shelf amenities, such as: heated seats, power door mirrors and heated door mirrors, and power seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. Call now to schedule a test drive.
