Retailer Comments

You won't want to miss this excellent value! You'll appreciate its safety and technology features! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Jaguar prioritized fit and finish as evidenced by: a built-in garage door transmitter, tilt steering wheel, and power seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in consistently exceeding our customer's expectations. Please don't hesitate to give us a call.
