## Retailer Comments

You won't want to miss this excellent value! Feature-packed and decked out! Jaguar prioritized fit and finish as evidenced by: 1-touch window functionality, automatic dimming door mirrors, and power front seats. Jaguar made sure to keep road-handling and sportiness at the top of it's priority list. Under the hood you'll find an 8 cylinder engine with more than 400 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales staff will help you find the vehicle that you've been searching for. We'd be happy to answer any questions that you may have. Come on in and take a test drive!
