Retailer Comments

This Jaguar won't be on the lot long! It delivers plenty of power and excellent gas mileage! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized handling and performance with features such as: automatic dimming door mirrors, power moon roof, and voice activated navigation. It features an automatic transmission, rear-wheel drive, and a 2 liter 4 cylinder engine. We have the vehicle you've been searching for at a price you can afford. Stop by our dealership or give us a call for more information.
