Retailer Comments

Check out this great value! This car sets a new standard in its segment, merging power and utility with stylish proportions! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar prioritized handling and performance with features such as: a power seat, lane departure warning, and the power moon roof opens up the cabin to the natural environment. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. All wheel drive keeps this model firmly attached to the road surface. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
