Retailer Comments

This vehicle won't be on the lot long! It delivers style and power in a single package! With fewer than 15,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Jaguar infused the interior with top shelf amenities, such as: heated steering wheel, a power rear cargo door, and voice activated navigation. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our aim is to provide our customers with the best prices and service at all times. Please don't hesitate to give us a call.
