## Retailer Comments

You won't want to miss this excellent value! Assembled with the most discerning driver in mind. A turbocharger further enhances performance, while also preserving fuel economy. This vehicle has achieved Certified Pre-Owned status, by passing Jaguar's comprehensive certification process. With less than 10,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Jaguar prioritized fit and finish as evidenced by: a leather steering wheel, turn signal indicator mirrors, and power seats. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our aim is to provide our customers with the best prices and service at all times. Stop by our dealership or give us a call for more information.
