Retailer Comments

You won't want to miss this excellent value! It just arrived on our lot, and surely won't be here long! A turbocharger is also included as an economical means of increasing performance. With just over 20,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Jaguar prioritized handling and performance with features such as: variably intermittent wipers, automatic temperature control, and power seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Come on in and take a test drive!
