Retailer Comments

Jaguar Approved 6 Year and Unlimited Mile Jaguar Approved Certified. One local owner, sold and serviced by us right here in Lake Bluff. Ultra loaded 2020 Jaguar E-PACE SE AWD with over \$6,000.00 in factory options, and the SE version is the top of the E-Pace line and loaded to begin with. Cars like this, and with these options rarely come to market. Yes, they are a few thousand more than the base cars with basic options and without the Genuine Jaguar 6 year or unlimited mile warranty (included here), but to get all of these extras for pennies on the dollar, well it makes for a truly outstanding value and a car you are proud to own and be seen in. Sold and serviced by us right here in Lake Bluff to one of our best and most loyal clients. This is the single most loaded E-PACE SE's we have ever seen, and we come across quite a few of these. This one is beyond special. First of all, the P300 R-Dynamic means you get the largest 297hp turbocharged engine offered in the E-PACE lineup. \$62,580.00 original MSRP and only 30k original certified one owner miles. Options are: \$1,325.00 Silicon Silver Metallic from the Premium Paint Palette over the \$510.00 Light Oyster 14 way Heated premium genuine leather interior with contrasting stitching, \$100.00 upgraded 19in style 5049 alloys, \$1,265.00 panoramic glass roof, light oyster Morzine headliner, Advanced vision, \$255.00 remote garage door opener, Power Tailgate, \$640.00 Cold Climate Package with heated steering wheel and windshield \$105.00 Premium floor mats which are plusher, Vision package with LED headlights, blind spot monitors, reverse back-up camera and front and surround park assist. \$565.00 keyless entry and push button start, heated steering wheel. Meridian 380 watt premium sound, \$130.00 chrome window surrounds. One of the other niceties of this fine E-PACE is its very late in-service date of 11/02/2020 bringing your factory Certified warranty all the way through November 1st, 2026 with no limit on miles driven, and your complimentary pre-paid scheduled maintenance all the way through November 1st, 2025 as well!!! This car is as new in all regards. There were a few light scratches in the tailgate area which have been professionally airbrushed and well done. These were pencil tip thin scratches, nothing large or major. In the normal wear category, but again, carefully airbrushed and addressed, cant see them but up close, just wanted to let you know. Should not disappointment even the fussiest buyer. 5yr/60,000 mile full complimentary pre-paid scheduled maintenance is also included. Fully serviced by our in house Jaguar Master Technicians and no detail is overlooked. We do things one way here, by the book. We have all books, both master keys, and floor mats, nothing is missing on this certified quality gem. Dont forget about Jaguars low rate financing which can save you thousands more in finance charges. Inexpensive out of state shipping is always gladly arranged.
