Description

Check out this great low mileage vehicle! It'll satisfy drivers and passengers seeking the ultimate in comfort and refinement. A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized fit and finish as evidenced by: power front seats, a leather steering wheel, and cruise control. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our knowledgeable sales staff is available to answer any questions that you might have. They'll work with you to find the right vehicle at a price you can afford. Call now to schedule a test drive.
