Description

How about this great vehicle! Breathtaking performance, sumptuous accommodations and jaw dropping good looks! A turbocharger is also included as an economical means of increasing performance. Jaguar prioritized fit and finish as evidenced by: automatic dimming door mirrors, a power liftgate, and much more. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Stop in and take a test drive!
