Description

This Jaguar won't be on the lot long! It'll satisfy drivers and passengers seeking the ultimate in comfort and refinement. A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized comfort and style by including: power moon roof, heated door mirrors, and voice activated navigation. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are extremely helpful knowledgeable. We'd be happy to answer any questions that you may have. Stop in and take a test drive!
