Siena Tan Windsor leather seats	N/A				

Description

Check out this 2026! This model delivers an exhilarating ride without compromising ultimate luxury! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar prioritized handling and performance with features such as: a built-in garage door transmitter, an outside temperature display, and voice activated navigation. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Stop by our dealership or give us a call for more information.

5254 Tilghman St, Allentown, United States, 18104
