Description

This Jaguar won't be on the lot long! It offers the latest in technological innovation and style. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Jaguar infused the interior with top shelf amenities, such as: an overhead console, rear wipers, and voice activated navigation. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We have the vehicle you've been searching for at a price you can afford. Please don't hesitate to give us a call.

5254 Tilghman St, Allentown, United States, 18104
