AWD 8-Speed Automatic with Overdrive I4

The 2026 Jaguar F-Pace S is a luxury SUV that combines performance, style, and advanced technology. With a focus on delivering an exhilarating driving experience, it features a powerful engine, likely an I4 or V6 configuration, providing

robust performance complemented by an 8-speed automatic transmission with overdrive, along with an all-wheel-drive (AWD) system for enhanced traction and handling.

The exterior is designed with sleek lines and a sporty aesthetic, often enhanced by optional features like gloss black roof rails and distinctive wheel designs, such as 21" gloss black wheels. Inside, the F-Pace S boasts a premium interior that includes comfortable, heated and cooled electric front seats with memory function for added convenience.

Technology plays a significant role, featuring a navigation system with Pivi Pro (connected navigation), along with seamless smartphone integration through Android Auto and Apple CarPlay. The safety and entertainment experience is elevated by a Meridian surround sound system and available satellite radio options.

Overall, the 2026 Jaguar F-Pace S is designed to offer a blend of luxury, comfort, and advanced functionality, making it a strong contender in the luxury SUV market. Price includes \$398 of dealer added accessories.
