This model features a driver-focused cockpit and a distinctive exterior design inspired by the F-TYPE. Its muscular stance and coupe-like roofline are complemented by premium materials, making it a sophisticated choice for performance and everyday practicality.PerformanceThe E-PACE SE is powered by a 2.0L 4-cylinder turbocharged Ingenium engine delivering 246 HP and 269 lb-ft of torque. Paired with a 9-speed automatic transmission and standard All-Wheel Drive, it achieves 0-60 mph in 6.7 seconds. The vehicle utilizes an All Surface Progress Control system and selectable driving modes to

maintain composure across various conditions.

DesignThe exterior features signature LED headlights and a sleek rear spoiler that emphasizes a sporty profile. The SE trim is equipped with 19-inch alloy wheels and heated, power-folding door mirrors with approach lights. Inside, the cabin is outfitted with grained leather upholstery and a leather-wrapped steering wheel, creating a refined and tactile environment.

TechnologyCentral to the dashboard is a 10-inch Touch Pro infotainment system, including standard Apple CarPlay and Android Auto integration. The SE trim features Navigation Pro, a Connect Pro Pack with a Wi-Fi Hotspot, and a premium Meridian Sound System. An Interactive Driver Display provides high-resolution data, while multiple USB ports ensure connectivity for all passengers.

Advanced Safety FeaturesStandard equipment includes Lane Keep Assist, a Driver Condition Monitor, and front and rear parking aids. The SE trim specifically adds the Drive Pack, which incorporates Adaptive Cruise Control with Stop & Go, High-Speed Emergency Braking, and Blind Spot Assist. These systems work together to provide awareness and active intervention to help prevent collisions.

Convenience and ComfortThe interior offers 14-way power-adjustable front seats with memory settings to ensure personalized comfort. Dual-zone automatic climate control and a spacious center console enhance the daily driving experience. For utility, the split-folding rear seats expand cargo capacity to 52.7 cubic feet, while a powered tailgate provides easy access to the luggage area.
