The interior welcomes you with Windsor Leather Seating Surfaces, heated and ventilated front seats, and a heated steering wheel for enhanced driving comfort. The performance-oriented suspension system and speed-sensing steering deliver responsive handling, while the navigation system and integrated smartphone compatibility keep you connected throughout your journey.The Meridian audio system with SiriusXM satellite radio and Apple CarPlay/Android Auto integration ensures your entertainment and communications remain at your command. Practical features including the power liftgate, heated door mirrors with memory positioning, and rain-sensing wipers contribute to daily convenience and safety awareness.This vehicle comes certified, providing you with the confidence that your investment has undergone thorough inspection and meets established quality standards. A certified vehicle offers peace of mind and reflects our commitment to delivering vehicles of exceptional condition.With 37 miles on the odometer, this F-TYPE P450 remains essentially new, offering an exceptional opportunity to

acquire a premium performance vehicle with minimal use. The combination of 16 city MPG and 24 highway MPG efficiency ratings reflects the balance between this supercharged engine's performance capabilities and reasonable fuel consumption. The security and safety systems integrated throughout this vehicle—including dual front impact airbags, side impact protection, ABS brakes with four-wheel disc configuration, and electronic stability control—work together to provide multiple layers of protection. The remote keyless entry, security system, and garage door transmitter with HomeLink technology add practical security elements to your ownership experience. We invite you to visit and experience this 2024 Jaguar F-TYPE P450 firsthand, where our team can address your questions and discuss how this vehicle aligns with your driving preferences.
