Description

How about this great vehicle! You'll appreciate its safety and convenience features! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jaguar infused the interior with top shelf amenities, such as: power front seats, tilt steering wheel, and the power moon roof opens up the cabin to the natural environment. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in consistently exceeding our customer's expectations. Stop by our dealership or give us a call for more information.
