Description

The car you've always wanted! You won't want to miss this excellent value! Distinctive design and opulent equipment are standard. A turbocharger is also included as an economical means of increasing performance. Jaguar prioritized practicality, efficiency, and style by including: 1-touch window functionality, a power liftgate, and seat memory. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our aim is to provide our customers with the best prices and service at all times. Stop by our dealership or give us a call for more information.

5254 Tilghman St, Allentown, United States, 18104
