This F-PACE delivers practical efficiency with EPA ratings of 22 city and 27 highway MPG, balancing performance with real-world fuel economy. The turbocharged engine provides responsive power while the all-wheel-drive system ensures confident handling across various driving conditions and weather situations.

The interior prioritizes comfort and technology integration. Heated front sport seats wrapped in perforated duoleather accommodate long drives with support, while memory seat functions personalize adjustments for regular drivers. The heated steering wheel enhances cold-weather convenience, and the power moonroof creates an open, airy cabin atmosphere.

Driver assistance and convenience features work together seamlessly. The heads-up display projects essential information directly into your line of sight, reducing the need to look down at instruments. The Pivi Pro navigation system provides connected route guidance, while Apple CarPlay and Android Auto integration keeps your smartphone's functions accessible. Automatic temperature control maintains your preferred cabin environment without constant adjustment.

Safety systems provide comprehensive protection. Multiple airbag designs, electronic stability control, four-wheel disc brakes with ABS, and traction control work together to support confident driving. The rear view camera assists with parking and reversing, while the low tire pressure warning system keeps you informed of your vehicle's status.

The R-Dynamic S trim reflects Jaguar's commitment to refined styling and premium appointments. Nineteen-inch diamond-turned alloy wheels enhance the exterior presence, complemented by sport-tuned suspension and speed-sensitive steering that responds to driving dynamics. The combination of technological advancement and luxury appointments makes this F-PACE an accessible entry into sophisticated motoring.

We invite you to visit and experience the 2026 Jaguar F-PACE P250 R-Dynamic S firsthand. Our team is prepared to discuss how this vehicle meets your specific needs and to arrange a test drive at your convenience.
