Description

RECALL NOTICE: Some vehicles offered for sale may be subject to unrepaired manufacturer safety recalls. To determine the recall status of a vehicle, visit <https://www.nhtsa.gov/recalls>. This 2020 Jaguar F-PACE 25t Premium in White combines sophisticated design with practical daily capability, offering a compelling option for those seeking a premium compact sport utility vehicle. - 2.0L I4 Turbocharged engine with 8-speed automatic transmission and AWD - Meridian 380W sound system with 11 speakers and SiriusXM satellite radio - Apple CarPlay and Android Auto integration - Power moonroof with panoramic views - Heated front and rear seats with heated steering wheel - Heated windshield with heated washer jets - Cold Climate Pack for enhanced winter performance - Connect Pro Package with Pro Services and Wi-Fi hotspot - Blind Spot Assist for added awareness - InControl Protect emergency communication system - Four-wheel independent suspension for responsive handling - 19-inch alloy wheels - Rear parking camera - Power liftgate for convenient loading The F-PACE's turbocharged engine delivers efficient performance, returning 22 city and 27 highway MPG, while the available all-wheel-drive system

provides confidence in varied driving conditions. The spacious interior features comfortable front bucket seating with power adjustment and memory settings, allowing multiple drivers to find their ideal position. The split-folding rear seat expands cargo flexibility, accommodating both passengers and gear with ease. Premium touches define the cabin experience. Heated front and rear seating with a heated steering wheel creates comfort during cold months, while the power moonroof opens the interior to natural light. The Meridian sound system transforms your commute with rich audio quality, enhanced by SiriusXM satellite radio and seamless smartphone integration through Apple CarPlay and Android Auto. Safety remains paramount with dual front and side airbags, occupant-sensing technology, and four-wheel disc brakes with ABS. Blind Spot Assist helps monitor adjacent lanes, while the integrated InControl Protect system provides emergency communication capability. The electronic stability control and four-wheel independent suspension work together to maintain control across different road surfaces. Additional refinements include auto-dimming door mirrors and rear-view mirror for enhanced visibility, rain-sensing wipers that adapt to weather conditions, and heated door mirrors for clarity during winter driving. The HomeLink garage door transmitter integrates your vehicle with home automation. Modern convenience features like remote keyless entry, power windows, and the power liftgate eliminate daily friction points. With 54,981 miles, this F-PACE represents a well-maintained example ready for its next chapter. The combination of premium appointments, practical features, and engaging driving dynamics makes this vehicle worthy of your consideration. We encourage you to visit our showroom to experience this F-PACE firsthand and discuss how it fits your automotive needs.
