This 2021 Jaguar F-PACE P250 S delivers refined performance and sophisticated comfort in a versatile luxury SUV package designed for discerning drivers who demand both style and substance. - Black Exterior Styling Package - Cold Climate Pack - Auto-Dim Memory Door Mirrors - Heated Steering Wheel - Interactive Driver Display - Wi-Fi Enabled with Data Plan - Heated Ventilated Front Seats - Gloss Black Roof Rails - Powered Gesture Roof Blind - 19' 5 Spoke Gloss Black Wheels - Heated Front Windshield with Heated Washer Jets - Privacy Glass - Meridian 380W Sound System - InControl Navigation Pro - Power Moonroof Built with a 2.0L I4 turbocharged engine paired to an 8-speed automatic transmission, this F-PACE achieves 22 city and 27 highway MPG while delivering responsive all-wheel-drive capability. The gray exterior presents a contemporary aesthetic, and the Black Exterior Styling Package with gloss black 19-inch wheels and roof rails emphasize the vehicle's modern, athletic stance. Settling into the grained leather seats, you'll find comfort enhanced by heated and ventilated front seating surfaces.

The heated steering wheel and heated front windshield with heated washer jets showcase the Cold Climate Pack's thoughtful engineering. The power moonroof and powered gesture roof blind offer flexibility in controlling light and ventilation throughout the cabin. Technology integration is seamless through the interactive driver display, InControl Navigation Pro system, and Wi-Fi connectivity with data plan. Apple CarPlay and Android Auto compatibility ensure your devices integrate intuitively, while the Meridian 380W sound system with 11 speakers delivers premium audio quality. The HomeLink garage door transmitter and remote SOS emergency call system add layers of convenience and security. Safety features include dual front impact airbags, dual front side impact airbags, overhead airbags, electronic stability control, traction control, and adaptive suspension tuned for responsive handling. Four-wheel independent suspension with speed-sensing steering provides confidence on varied road conditions, while the 4-wheel disc braking system with ABS ensures reliable stopping power. Practical amenities round out the package: power door mirrors and windows, telescoping tilt steering wheel, rear seat center armrest, split folding rear seats, power liftgate, and comprehensive climate control with automatic temperature management. Rain-sensing wipers and rear window defroster support all-weather capability. This F-PACE presents an opportunity to own a premium European performance SUV that balances luxury appointments with genuine everyday utility. We invite you to visit our showroom to experience this refined vehicle firsthand.
